**DECLARATION
OF
COVENANTS, CONDITIONS, EASEMENTS & RESTRICTIONS

TWIN CREEKS SUBDIVISION**

STATE OF TEXAS

§
§
§

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF BASTROP

Dewberry Investments, Ltd., a Texas limited partnership, (hereinafter the "Declarant"), being the owner of the legal and equitable title in and to the following described real property lying and being situated in the County of Bastrop and the State of Texas and being more particularly described as follows, to-wit:

Lots 1 - 29, Block A, Lots 1 - 17, Block B, Lots 1 - 44, Block C, Lots 1 - 54, Block D, Lots 1 - 18, Block E, Lots 1 - 12, Block F, Lots 1 - 29, Block G, Lots 1 - 21, Block H, TWIN CREEKS, a subdivision of record according to the map or plat of record in Cabinet 6, Page 104B-105B Plat Records of Bastrop County, Texas, (an individual lot hereinafter referred to as a "lot" and the property as a whole hereinafter referred to as the "Subdivision"),

Declarant does hereby declare and impose upon the Subdivision the following covenants, conditions, easements, and restrictions for the purpose of carrying out a uniform plan for the development of a quality residential neighborhood. The covenants, conditions, easements, and restrictions of this declaration (hereinafter the "Declaration") shall apply to and become a part of all legal instruments whereby title or possession to any lot in the Subdivision is hereafter conveyed or transferred, such covenants, conditions, easements, restrictions, and limitations to run with the land and to be binding upon and inure to the benefit of all parties, now or hereafter, owning or using the above-described property or any portion thereof, their heirs, executors, administrators, successors, and assigns.

ARTICLE 1

RESTRICTIONS

1.01 Residential Use: All lots are hereby restricted exclusively to single-family residential use. No structures shall be erected, placed or maintained on any lot other than a single-family residence with such accessory structures and buildings such as a storage building, workshop or garage. No home based business of any kind may be operated out of any home in the subdivision without the written consent of Declarant. Not more than one single-family residence may be constructed or placed on a lot. The term "single-family residence" shall include site built homes, single or double wide mobile homes, manufactured homes and modular homes.

a. Age of Manufactured or Mobile Homes. Any mobile home, manufactured home or modular home shall not be older than a 2013 model year home. Proof of the age of the home must be provided to the Declarant in advance in the form of title or bill of sale that indicates age.

Additionally, photographs of all mobile homes, manufactured homes and modular homes that are not new must be provided to Declarant in advance of the home being placed on a lot.

- b. Installation of Manufactured or Mobile Homes. Any mobile home, manufactured home or modular home shall be placed on a concrete foundation or state approved foundation, and skirted with rock, brick or plaster or other material specifically approved by the Declarant within 30 days of the date of delivery to the Subdivision lot. No home can be moved-on and remodeled. All axles and tongues must be removed immediately after placing it on the lot. All skirting material used must be new and may not be wood. Any mobile, manufactured or modular home cannot have any additions constructed to it without prior written approval by Declarant. Declarant reserves the right to reject any home because of its condition.

- 1.02 Size and Specifications: No building, structure or other improvement shall be commenced, erected, placed or maintained on any lot, nor shall any addition to or change or alteration therein be made, until the construction plans and specifications, and a plot plan showing the location of all such structures and all appurtenances thereto, have been submitted to and approved by the Declarant. A residence may not be lived in or occupied until the residence is fully complete. Any site built residence constructed on any lot within the Subdivision shall have not less than 1,000 square feet of heated and air-conditioned space, exclusive of basements, garages, and porches. The minimum size for any mobile homes installed in this subdivision is 1,200 square feet. No garages or storage buildings or ancillary structures may be built before the construction of the primary residence.

The finished floor elevation of all structures on any lot must be at least eighteen (18) inches above the highest grade elevation of its access roadway, whether a public road or a private road.

- 1.03 Setback Requirements and Front and Rear Building Lines:

- a. Setback Requirements: Residences, garages, or any other building of any kind constructed on any lot shall have a front building line set back 25 feet from the front property line unless a greater distance is required by the recorded final plat of the Subdivision. The residences, garages, or any other buildings of any kind shall be set back 15 feet from any side property line and 20 feet from any rear property line. In the case of corner lots, construction of improvements shall also be subject to a side set back line 15 feet from the property line adjacent to the side street. Variations from these setback requirements may be granted in individual cases where tract size or topography make these requirements impractical, but any such variation must have the prior written approval of the Declarant.
- b. Front Building Line: The front building line is that line parallel to the front property line, and the side property line if a corner lot, which intersects the most forward projection of the actual residence constructed on any lot, including roofs, decks, porches and garages.
- c. Rear Building Line: The rear building line is that line parallel to the front property line, and side property line if a corner lot, which intersects the rear-most projection of the actual residence constructed on any lot, including roofs, decks, porches, and garages. All storage sheds, portable buildings, animal pens, animal houses, and any other such structures shall be located behind the rear building line.

- 1.04 Driveways: All driveways must be either concrete, asphalt pavement, brick/concrete pavers, gravel or crushed limestone. Gravel and limestone driveways must be a minimum of 4 inches

thick when compacted. The driveway must be completed before occupying the residence and maintained by the lot owner. Permits for driveways and culverts must be obtained from Bastrop County before any driveway is constructed. Only one driveway per lot is allowed. This driveway requirement includes, but is not limited to, driveways which access lots from joint use driveways. Corner lots may only have one driveway from the minor street.

Driveway Access Easements:

The following lots have as their sole access a 30 ft. by 60 ft. driveway access easement. Culverts were installed by the Declarant, and both property owners will maintain these culverts and construct a driveway at their own cost and expense pursuant to Section 1.04 of the Declaration. Any expense associated with the driveways and culverts will be paid by the lot owners on a 50%/50% basis.

Lots 1 through 6, Block A

Lots 3 through 8, Block C

To have and to hold unto the Beneficiaries, and to their respective heirs, successors, and assigns forever, and Declarant does hereby bind Declarant and its successors and assigns to warrant and forever defend title to the Access Easements in the Beneficiaries against every person whomsoever lawfully claiming or to claim the same or any part thereof, to the extent that such claims arise by, through, or under Declarant but not otherwise.

Easement Purpose. Declarant is creating the Access Easements solely for the benefit of the from each Lot. Lot owners are to access their respective lots utilizing only their Access Easements, as assigned above, and no additional access points will be allowed.

Duration of Easement. The duration of the Access Easements is perpetual.

Future Use. Future use by any Beneficiary of the Access Easements, or any portion thereof, is hereby restricted to uses which do not interfere with the use and enjoyment of the Access Easements by the Beneficiaries for the Easement Purpose.

Character of Easements. The Access Easements are appurtenant to and shall run with the applicable Lots and portions thereof, whether or not the Access Easements are referenced or described in any conveyance of the Properties, or any portion thereof.

Non-exclusiveness of Easement. The Access Easements and the rights granted herein and created and reserved hereunder are nonexclusive, and Declarant reserves for itself, and for its successors and assigns, the right to use all or any part of the surface or subsurface of the Access Easements or any purpose which does not interfere with the use and enjoyment of the Access Easements by the Beneficiaries for the Easement Purpose.

No Public Dedication. The Access Easements are created for the sole and exclusive benefit of the Beneficiaries. This Declaration is not in any way intended as a dedication or conveyance of an interest in real property to the public or to any governmental body or entity, including but not limited to Bastrop County, but is for the exclusive, private use, benefit, and enjoyment of the

Maintenance and Repairs Defined. The Access Easements have been installed and are currently undertaken and performed under this Declaration will include the following: filling of potholes,

re-grading, repairing any drainage structure or culvert, re-graveling, resurfacing, and such other items as shall be necessary in order to maintain the Access Easements in a safe and useable condition. Any future modification or improvements to the Access Easements deemed necessary or advisable, but not including within the maintenance and repair obligations specified above, will not be undertaken, except with the express written consent of each of the parties then obligated to pay for such items, and an assumption by each, in writing, of their proportionate share of the financial liability for the cost of such improvements; provided, however, that any party may install improvements to the Access Easements at such party's sole cost and expense as long as that party improves the entire driveway.

Bastrop County will not be responsible for any maintenance of these private driveways or Access Easements.

Responsibility for Repair and Maintenance. The above-referenced lot owners in 1.04 above shall be responsible for performing (or contracting for the performance of) all required maintenance and repairs to the Access Easements, as authorized pursuant to this Declaration. Any Access Easement repairs will be split on a 50%/50% basis. Any demand for payment shall be in writing and accompanied by invoices or other written evidence of the charges incurred in that regard. Should a party fail to reimburse the other parties for its share of the costs of such repairs within thirty (30) days of such party's receipt of a written demand for reimbursement hereunder, then any unpaid amount shall bear interest at the highest rate permitted by law (or if no maximum rate is prescribed by law, at the rate of 18 percent per annum) and the non-defaulting lot owners may pursue any other remedies available to it by law. The minimum level of road base material to be used and maintained in the Access Easement driveways is four (4) inches of material.

Specific Damages to the Driveway. In the event any of the Access Easements are damaged by the specific, identifiable actions of a Beneficiary, or any contractor, subcontractor, agent, or invitee of any Beneficiary, as opposed to normal wear and tear, then such Beneficiary shall be solely responsible for paying for the repair of such damage and shall reimburse the other lot owner for the cost of repairing such damage on demand. Should such party fail to reimburse the other lot owners of the Access Easements within thirty (30) days of such party's receipt of a written demand for reimbursement hereunder, then any unpaid amount shall bear interest at the highest rate permitted by law (or if no maximum rate is prescribed by law, at the rate of 18 percent per annum).

- 1.05 Quality Workmanship and Maintenance: All improvements and structures including but not limited to homes, garages, fences, storage buildings, and other improvements shall be constructed of quality, new material and in a workmanlike manner. Such improvements shall be maintained and situated so that their appearance will not be detrimental to the Subdivision. All improvements shall be kept weatherproofed by painting or such other method as may be necessary and appropriate, and none of the improvements shall be allowed to deteriorate.
- 1.06 Rubbish and Debris: No rubbish or debris or any kind shall be placed or permitted to accumulate upon the Property and no odors shall be permitted to arise therefrom so as to render the Property or any portion thereof unsanitary, unsightly, offensive or detrimental to any other property or to its occupants. Refuse, garbage and trash shall be kept at all times in covered containers and such containers shall be kept within enclosed structures or appropriately screened from view. All lots within the subdivision must be regularly mowed and cleaned of debris. Grass higher than 12 inches is not permitted. If, after written notice has been delivered by Declarant to the Lot Owner giving a 30 day notice to mow and the grass has not been cut, then Declarant reserves the right to cut the grass and bill the lot owner a reasonable fee.

- 1.07 Easements: Easements are hereby reserved and dedicated over and across a 16 foot strip along front, 15 feet along each side lot line, and 20 feet along the rear lot line, for the purpose of installing, maintaining and repairing, electric power, gas, telephone, water, cable, community mailbox station, drainage and/or any other similar utility lines, facilities, and services for the lots in the Subdivision. The easements reserved and dedicated hereby shall be for the general benefit of the Subdivision. These easements shall inure to the benefit of, and may be used by, any public or private company entering into and upon the property for such purposes, without the necessity of any further grant of such easement rights to such companies, including improving or modifying drainage patterns, without the necessity of any further grant of such easement rights to such companies. Any lot owner installing a fence or other improvement within the area encumbered by the easement does so at his own risk.
- 1.08 Platted Easements: In addition to those set forth in this Declaration, each lot shall be subject to all easements, set-back lines, covenants and restrictions set forth in the recorded Subdivision plat covering that particular lot located in Plat Cabinet 6, Page 104b-105b Plat Records, Bastrop County, Texas.
- 1.09 Restriction on Further Subdivision: There shall be no dividing, subdividing, or re-subdividing allowed of any of the lots in the Subdivision into smaller lots or tracts. All lots in the Subdivision will remain the size platted on the Subdivision plat, except that any person owning two or more adjoining lots may consolidate such lots into a single building site.
- 1.10 Sewage: Wastewater and sewage shall be disposed of by means of sanitary sewer systems or similar approved means of sanitary sewage disposal which meet the requirements of and are approved by all governmental authorities having jurisdiction thereof. No residence shall be used or occupied until sanitary sewage disposal facilities complying with this paragraph have been completely built and approved by the governmental authority. The sanitary sewage facility on each lot will be designed by a registered professional engineer or licensed sanitarian in accordance with the Texas Commission on Environmental Quality On-Site Sewage Facility Rules. Sanitary sewage facilities are restricted to aerobic systems or other systems approved by Bastrop County and a permit to install an on-site sewage facility must be obtained prior to construction. On-site sewage systems must be inspected and finally approved by Bastrop County and must be properly maintained and inspected. No septic system will be located within any designated drainage easement or flood plain unless specifically approved by Bastrop County.
- 1.11 Drainage Easements and Structures, Ditches, and Stock Tanks: Drainage structures under private driveways shall be constructed at lot owner's expense in accordance with Bastrop County regulations and recorded plat specifications. Drainage structures must be completed before house construction begins. Natural drainage and detention facilities and existing drainage easements shall not be altered, constructed, or changed without prior written approval from the Declarant and appropriate government agencies. All drainage easements will be maintained at the expense of the lot owner impacted by the easement. Maintenance includes, but is not limited to, grass cutting and debris removal. No building of improvements or fencing shall occur in these drainage easements, and all affected lot owners will maintain their share of the easement in a clean and kept manner so water will flow without any obstruction.
- 1.12 Trash Disposal: No lot shall ever be used for or maintained as a dumping ground for rubbish, fill, road or construction materials, debris or junk. Each homeowner must have a trash removal service and trash, garbage or other wastes shall not be permitted except in sanitary containers. All cans or other equipment for the storage or disposal of such materials shall be kept in a clean

and sanitary condition beside or behind the residence. Cut or trimmed brush on occupied or non-occupied lots must be disposed of within 30 days of cutting. Construction of a house may not begin until an enclosed trash receptacle and portable toilet are available on-site. It is the owner's responsibility to insure that construction debris is contained and properly disposed. Dumpsters will not be permissible on a lot except during construction of a residence.

- 1.13 Nuisances: No noxious, noisy, offensive, undesirable, unlawful or immoral activity shall be conducted on any lot, nor shall anything be done or permitted to be done thereon which may be or become a nuisance or annoyance to the owners of adjacent lots or to the Subdivision. Any determination by the Declarant that an activity is noxious, noisy, offensive, undesirable or immoral shall be final and binding on all parties.
- 1.14 Unused Vehicles: The placement of junked, abandoned, wrecked, or non-operating items of any kind such as motor vehicles, boats, or other equipment or materials shall not be permitted on any lot in the Subdivision. The repairing of motor vehicles, boats or any other items of a mechanic nature shall not be permitted on any lot in the Subdivision, except within a garage or other comparable enclosed structure. Any vehicle which does not display a current registration and/or inspection will be considered unused and subject to removal.
- 1.15 Boats and Trailers and Trucks: No boats, boat trailers, travel trailers, campers, recreational vehicles, motor homes, vehicles, and other equipment or other similar property shall be allowed on any lot unless such items are regularly and frequently used by the lot owner, neat in appearance, well-maintained, and stored behind the rear building line. None of the above-mentioned items are allowed on any lot until the residence is completed and occupied. No commercial vehicles with more than 1 rear axle shall be allowed within the subdivision at any time other than during the construction of the primary residence, driveways or ancillary structures and in no event shall such vehicles be left within the subdivision overnight. These vehicles include, but are not limited to, dump trucks of any kind, bobtails, belly dumps and trailers designed to be pulled by trucks with more than 1 rear axle.
- 1.16 Temporary Structures: No structure or improvement of a temporary character, travel trailer, recreational vehicle, tent, camper, shack, garage, barn or other outbuilding shall at any time be used as a residence or dwelling.
- 1.17 Animals: Dogs, cats or other household pets, not to exceed a total of four in number (exclusive of unweaned offspring) per residence, may be kept so long as they are not kept, bred or maintained for any commercial purpose. All animals must be maintained and confined to each Owner's lot. Dogs may not be kept on a chain, cable or rope but must be confined within a pen or run built out of new materials and must be between the residence and the rear lot line. Farm animals are limited to one large animal (horse or cow) per lot or up to three (3) goats or sheep. Chickens are allowed as long as the lot does not house more than ten (10) chickens at any one time and any chickens or other fowl must be contained within an enclosure which is made of new materials and shielded from view from all lots and roadways. No pigs, hogs, or swine are allowed under any condition. No pets or animals may be kept if they become offensive or a nuisance by virtue of their numbers, sight, odor or noise. If a question arises as to whether an animal, (individually or considered together) is offensive or a nuisance, the Declarant shall make the determination and its determination shall be final and binding on all parties.
- 1.18 Animal Containment: All animals shall be contained within the lot lines either by fence, leash, or other comparable device. Animals shall not be allowed outside an owner's lot. Any pen, corral, hutch, structure or enclosure of any kind must be constructed of new material, must be attractive

in appearance in keeping with the general standard of improvement in the Subdivision, and must be at all times kept neat and clean in appearance, consistent with the requirements herein specified for other improvements in the Subdivision. All such improvements must be located behind the residence, and not closer than twenty (20') feet to the side and rear property lines.

- 1.19 Fences: The plans for all fencing must be approved in advance by the Declarant before installation of the fence. Fences can be constructed of wire, pipe, chain-link, wood, or masonry. No privacy fences will be allowed along the front property line. All fence lines must be mowed and kept clean of weeds, trash and garbage at all times. All fences must be maintained to prevent sagging and deterioration. According to regulations of Bastrop County, no fences of any kind or character shall be constructed over or across any drainage easement or flood plain.
- 1.20 Signs: Except for one sign of not more than six square feet advertising the property for sale or for rent, no signs of any kind shall be displayed to the public view from any lot.
- 1.21 Antennae: No exterior radio, television or any other type of antenna shall be higher than 30' as measured from the ground. All satellite dish receivers larger than three feet (3') in diameter must receive prior written approval of the Declarant as to size and location.
- 1.22 Hunting and Firearms: Hunting, trapping and discharge of firearms are expressly prohibited within the Subdivision.
- 1.23 Clothes Drying Facilities: Outside clothes lines or other facilities for drying or airing clothes outside the residence are permitted.
- 1.24 Oil, Gas and Mineral Development: No oil or gas drilling, exploration or development operations, oil or gas refining or treatment, quarrying or mining operations of any kind shall be permitted on any lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted on any lot without the approval and consent of the Declarant. No derrick or other structure designed for use in boring for oil, natural gas or other minerals shall be erected, maintained or permitted on any lot.
- 1.25 Rights of Declarant: The Declarant or its agents shall have the right to use any unsold lot for a sales office location or any other purpose that Declarant deems necessary.
- 1.26 Parking: Streets, if any, shall not be used for parking except for emergency parking of vehicles. No continuous parking of automobiles or any other type of vehicle will be permitted on any street or road right-of-way in the Subdivision at any time.
- 1.27 Utility Connections: Within one (1) year of the purchase date of a lot, the lot owner will obtain all necessary permits and install all sewage disposal systems, water meters, water lines, and electric connections to the lot unless the Declarant has granted, in writing, a variance or extension of this time period to the lot owner.
- 1.28 Length of Construction Time: From the date of commencement of construction of any part of a home, barn, storage building or any other type of improvement to the property, the lot owner will have twenty-four (24) months to totally complete the construction of the improvements.

ARTICLE 2

GENERAL

- 2.01 Enforcement: Declarant, and any person owning any interest in any of the lots in said Subdivision, including mortgage interest, may enforce these restrictions through a proceeding at law or in equity against the person or persons violating or attempting to violate any covenant, condition, restriction, or limitation, either to prevent or to correct such violation, or to recover damages, or to obtain other relief for such violation. All expenses, including a reasonable attorney fee, shall be recovered from anyone violating these restrictions by the party bringing the suit.
- 2.02 Limitations of Liability: The Declarant shall not be liable in damages or otherwise to any owner of any lot within the subdivision by reason of mistake of judgment, negligence or nonfeasance arising out of or in connection with: (a) the approval or disapproval, or failure to approve or to disapprove any plans, specifications, or plot plans; (b) the enforcement of, or the failure to enforce, the covenants, conditions, easements and restrictions of this Declaration; or (c) any other action taken or not taken pursuant to the provisions of this Declaration.
- 2.03 Partial Invalidity: If any portion of this Declaration is declared illegal, invalid, or unenforceable by law or court order, such action shall not affect the validity of any other provision hereof. Failure to enforce any one or more provisions hereof shall not constitute a waiver thereof as to future enforcement and shall not serve to invalidate any other provision of this Declaration.
- 2.04. Duration: These covenants, conditions, easements and restrictions shall run with the land and shall be binding upon and against the Property for a period of twenty-five (25) years from the date of recordation, after which time said covenants shall be automatically extended for successive periods of ten (10) years unless an instrument signed by the then owners of seventy-five percent (75%) or more of the Property (by lot) has been recorded agreeing to change said covenants in whole or in part. No such agreement to change shall be effective unless made and recorded within three (3) months immediately prior to the date the covenants otherwise would be automatically extended.
- 2.05 Amendment: This Declaration may be amended by Declarant at any time, and from time to time, in its sole discretion. Without limiting the foregoing, Declarant may, from time to time, amend this Declaration as necessary to comply with any VA or FHA requirements for approval of the property to participate in their respective loan guaranty programs or for any other reason determined by Declarant in order to assure the integrity and intent of the subdivision. Any such amendment shall be effective upon recordation of an instrument setting forth the terms thereof in the Official Records of Real Property of Bastrop County, Texas. However, Article 1, Paragraphs 1.09 and 1.11 cannot be amended by the Declarant after the initial filing of this Declaration.
- 2.06 Assignment of Declarant: Notwithstanding anything in this Declaration to the contrary, Declarant may assign, in whole or in part, any of its privileges, exemptions, rights and duties under this Declaration to any other person or entity and may permit the participation, in whole or in part, by any other person or entity in any of its privileges, exemptions, rights and duties hereunder. Such assignment shall be evidenced by a written instrument, executed by Declarant and the assignee, and recorded in the Official Records of Bastrop County, Texas. In the event of any partial assignment by Declarant of any of its privileges, exemptions, rights and duties under this Declaration, Declarant shall continue to remain responsible and liable for all its obligations and duties under this Declaration until such time as Declarant has completed a full assignment of

all of its privileges, exemptions, rights and duties under this Declaration to any other person or entity.

- 2.07 No Warranty of Enforceability: While Declarant has no reason to believe that any of the restrictive covenants or other terms and provisions contained in this Declaration are or may be invalid or unenforceable for any reason or to any extent, Declarant makes no warranty or representation as to the present or future validity or enforceability of any such restrictive covenants, terms or provisions. Any owner acquiring a lot in reliance on one or more of such restrictive covenants, terms or provisions shall assume all risks of the validity and enforceability thereof and by acquiring the lot, agrees to hold Declarant harmless therefrom.
- 2.08 Interpretation: The provisions of this Declaration shall be liberally construed to effectuate the purposes of creating a uniform plan for the development and operation of the Subdivision, and of promoting and effectuating the fundamental concepts of the Subdivision set forth in this Declaration. This Declaration shall be construed and governed under the laws of the State of Texas.
- 2.09 Exemption of Declarant; Utility Easements:
- a. Without in any way limiting the generality of the preceding sentence, this Declaration shall not prevent or limit the right of Declarant to excavate and grade, to construct and alter drainage patterns and facilities, to construct any and all other types of improvements, sales and leasing offices and similar facilities, and to post signs incidental to construction, sales and leasing anywhere within the Property.
 - b. Declarant reserves the right to locate, construct, erect and maintain, or cause to be located, constructed, erected and maintained in and on any areas owned by Declarant, pipelines, conduits, wires and any improvements relating to a public utility function with the right of access to the same at any time for the purposes of repair and maintenance.
- 2.10 Laws and Regulations: All owners of any lots within the Subdivision shall at all times comply with all applicable laws, regulations and ordinances of municipal, county, state, federal or other governmental authorities.

COUNTY OF BASTROP §

**FIRST AMENDMENT TO THE
TWIN CREEKS SUBDIVISION
DECLARATION OF COVENANTS
CONDITIONS, EASEMENTS AND RESTRICTIONS**

Reference is made to the **Declaration of Covenants, Conditions, Easements and Restrictions** (the "Declaration") executed by **Dewberry Investments, LTD.**, a Texas limited partnership, as "Declarant," recorded on June 26, 2018, in Document Number 201809107 of the Official Public Records of Bastrop County, Texas, wherein Declarant imposed certain covenants, conditions, easements and restrictions, liens and charges hereinafter set forth in order to protect and enhance the value, attractiveness and desirability of the real property more particularly described therein. Terms used herein which are defined in the Declaration shall be given the same meaning herein as is ascribed to them in the Declaration.

Section 2.05 of the Declaration provides that the Declaration may be amended by Declarant at any time, and from time to time, in its sole discretion, and Declarant has determined that it now wishes to amend the Declaration as hereafter provided.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS, that the Declaration is hereby amended as follows:

1. **Age of Manufactured or Mobile Homes.** Paragraph 1.01 (a) of the Declaration defines the minimum age of any manufactured or mobile homes. In the first sentence, the Declarant wishes to change the figure "2013" to "2016".

2. **Size and Specifications.** Paragraph 1.02 of the Declaration defines the specifications of structures. In the third sentence, The Declarant wishes to change the figure "1,000 square feet" and replace it with "950 square feet." The Declarant also wishes to change the figure in the last sentence of Paragraph 1.02 from "1,200 square feet" to "950 square feet."

3. **Ratification.** Except as expressly modified hereby, the terms, provisions, covenants, conditions, and restrictions set forth in the Declaration are hereby ratified and confirmed in all respects and for all purposes.

IN WITNESS WHEREOF, Declarant has executed this First Amendment to be effective as of the 6 day of May, 2021.
